Subject: RE: Potholes in Watford

Dear Peter,

Thank you for your pothole letter.

The great news is that the winter damage is being repaired with an increased HCC budget for just this purpose and as you welcome, a very useful nearly £4million grant from Government as well.

Watford will receive, as it always does, a fair share of all the investment in Hertfordshire's roads whether from grants and or through the Highways budget, which has increased significantly this year.

On my last visit to Watford Football Club I was pleased to see an excellent resurfacing of Vicarage road outside the club, ensuring safe passage for vehicles and supporters.

Can I suggest that all faults are referred into the fault reporting system where urgent potholes are fixed within 24 hours.

Hertfordshire's roads are some of the best in the country with additional investment in residential roads in recent years.

My very best wishes

Richard
